

If I Could Ask God Anything
“Can a Saved Person Ever Be Lost?”
Hebrews 5:11-6:12

These verses constitute one of the strongest warning passages in all of the New Testament. The readers are exhorted to pay close attention to the voice of the Living God. Many people in this church had produced fruit indicating salvation; but others were being careless with regard to their standing with God. Such carelessness is an eternally dangerous matter.

1. Danger of Limited Loyalty (5:11-14)

2. Profession without Possession (6:1-8)

3. Evidences of Endurance (6:9-12)
