

***Elisha: A Man Standing Strong***  
**“Redemption, Prediction, Judgment”**  
**2 Kings 2:19-25**

*Elisha’s ministry records more miracles than any person in the Bible beside Jesus. However, his miracles often seem random, or even trivial. While the details may elude understanding, the principles of biblical miracles are very much on display throughout his life. Miracles display redemption, disclose prediction, and demonstrate judgment.*

**1. Positive Miracle: Redemption, Prediction (vv. 19-22)**

**2. Negative Miracle: Judgment (vv. 23-25)**
