

2 Peter: Preparing for His Coming "Be Diligent" Chapter 1

In 1 Peter, Peter was writing to help encourage Christians who were suffering from persecution. The pressure was coming from outside the church. In this second letter (2 Peter 3:1), Peter is writing with a different purpose. He is writing to expose false teachers from within the church. He is near the end of his life (2 Peter 1:14) and wants his readers to be certain of their salvation, to grow spiritually, and to make sure they will be spotless and blameless and at peace when Jesus returns.
