

Samson: What God Sees
“Finding God in a Cave”
Judges 15

Based on what we’ve seen already in the early life of Samson, one has to wonder how Samson ever came to be included with the great heroes of the faith listed in Hebrews (11:32). Where do we find this admirable faith? Apparently, it began (as it so often does) in a lonely place following a spiritual crisis. Upon finding God, a believer often finds himself as well.
