

Isaiah: Holy One of Israel

“The Suffering Servant”

Isaiah 52:13-53:12

The Servant’s mission appears, at first glance, to lack any real hope of success. He was charged to reach the entire world; He was overwhelmingly rejected by men; He suffered horribly and finally died. Yet the nations will be stunned and kings will be speechless at His ultimate accomplishments. God will reward the Servant with eternal honor and glory!

1. Startling Success (52:13-15)

2. Surprising Sorrow (53:1-3)

3. Substitutionary Sacrifice (53:4-6)

4. Severe Suffering (53:7-9)

5. Supreme Satisfaction (53:10-12)
